

### Exemption request submittal pertaining to official home quarantine

The quarantine subject shall travel directly to the quarantine flat after entering Hungary; he shall only be allowed to interrupt his travel to the quarantine flat for health, technical or, if traveling by a means of public transportation, timetable-related reasons.

If the conditions for installing the software for monitoring compliance with official home quarantine are met and the quarantine subject possess the adequate device, then the quarantine subject shall be obliged to install the quarantine software (called „Házi Karanén Rendszer”) to his telecommunications device upon arriving to the quarantine flat and to use it during the official home quarantine period. The quarantine subject may remove the quarantine software from his telecommunications device on the day following the date of expiry of the official home quarantine period at the earliest.

In case the quarantine subject would like to cease the assigned official home quarantine within the 10-day timeframe, should be required to submit an exemption request to the Police Department.

For (COVID-19) testing purposes you must contact the assigned institutions, which can be viewed on the following list:

<https://www.nnk.gov.hu/index.php/mintavetel-celjabol-felkeresheto-intezmenyek>

Completing the test is subject to charges, regarding which you can inquire at the institution in question.

The person in official home quarantine have to partake two molecular biology tests -SARS- CoV-2 test - adequate with the professional healthcare rules with at least 48 hours passing between the examinations, within 5 days. It is possible to take the first test in the USA, Canada and the Schengen Area.

After the sampling the quarantined person is obliged to return immediately to the designated address of the quarantine.

The analyzed results are sent out via e-mail or through the site of EESZT (Elektronikus Egészségügyi Szolgáltatási Tér - National eHealth Infrastructure).

#### Process of the exemption request:

The intelligent form available on the official website of the police: [ugyintezes.police.hu](http://ugyintezes.police.hu)

1. Choose „Start new case”.

2. Search for the appropriate form.

The quarantine subject should choose this form if he wants to ask for permission to leave the quarantine to take the test, from the police. If the quarantine subject has an appointment at a healthcare institution for a health screening, the quarantine subject shall inform of the date and time of the health screening the police department of the location of the quarantine flat not later than 24 hours before the

health screening by filling in and sending.

If, based on the health screening results, the quarantine subject can be released from official home quarantine, the quarantine subject shall submit to the police department of the location of the quarantine flat the results of the health screening by filling in and sending.

The police department of the location of the quarantine flat shall acknowledge the receipt of health screening results by sending an electronic confirmation certifying receipt.

If the quarantine subject experiences during the official home quarantine period a symptom of the infectious disease serving as grounds for the introduction of the state of epidemiological preparedness, he shall be obliged to notify by phone his general practitioner or, in the absence of such, the general practitioner of the location of the quarantine flat.

The police department of the location of the quarantine flat shall delete the health screening results within 24 hours following the sending of the electronic confirmation certifying the receipt of the health screening results.
